Discover your oasis on the Costa Blanca with our new development of 22 independent villas in Finestrat. These stunning homes offer an exclusive and contemporary lifestyle, perfectly integrated into a natural environment with panoramic sea and mountain views. Upon entering, spacious and bright spaces that combine the living room with a modern open kitchen. Privacy is paramount, that's why each villa has three bedrooms and three full bathrooms for the enjoyment of its residents. In addition, you will have a parking space on the surface. The exterior of each villa is a true paradise where we find a carefully designed garden with a swimming pool. A shaded pergola will add the perfect touch. But that's not all, for those who want to further personalize their home, we offer exciting options upon request. You can add an English basement and patio to expand the space, a kitchen equipped with the latest appliances, a modern bioclimatic pergola and a stateoftheart home automation system.
